

Total Baseball Travel Parent Newsletter

Issue: December

Monthly Agenda

- High School aged teams begin practice the week of the 3rd! Please note ALL practices, both during the week and on Sundays, will be at West Rd. in December.
- Teams will get 3 weekday practices and 2 Sunday practices in December. Practices will wrap up with each team's weekday practice the week of the 17th. Practice will then pick back up Sunday, January 7th at the main Wixom complex! Youth teams start then as well!
- High School students interested in playing baseball in college should consider the *showcase* put on by PBR on Dec. 16th. Details can be found by visiting <http://www.prepbaserballreport.com/michigan-store/scout-day-a-green-total-sports-12-16-17.html>
- Please note our new policy on batting cage tokens of 5 per day for our players.
- As always, know that players have access to tunnels and field space when they are available for free!

December's Profile: Total Sports Shop

The Total Sports Shop, located next to the main office in the Wixom complex, is a full team service provider. They are responsible for offering our spirit wear and uniform fittings. Lisa Donnelly, Director for the shop, along with Sean Falvo, Head Sales Associate (and one of our 13U coaches!) meet with various vendors throughout the year to ensure availability on some of the best offerings in uniforms and apparel.

Speaking of spirit wear, our first run of spirit wear items are currently at the printers. They are going through the screen printing and embroidery process as we speak. All signs point to a completion time before the holidays! We will make you aware of when exactly that is so you can come pick up the items from the Wixom complex yourself. The spirit wear site will be back up again in January with new items, including extra pairs of uniform pants!

As the holidays inch closer, remember the discount you have on all items in the sports shop. Families in our organization receive 10% off on everything in the store! Also note that the shop is a demo house; meaning those of you in search of a new bat can swing demo versions in our tunnels to get a better indication of the best fit for your son. Sean and those in the baseball department would be happy to share their opinions if desired.

In addition to all of this, now through the month of December, because we have chosen Wilson as our 2018 uniform provider, we can offer additional discounts on their bats and gloves! To reach the Sports Shop, please contact them at 248.859.2845 or you can email Sean at Sean@totalsportscomplex.com. We hope to see you soon to take advantage of these deals for the holiday season!

[Upcoming Classes/Programs in December](#)

To register for these classes, please call 248.668.0166!
