Organizational Open House

On Monday, October 8th, Total Baseball Travel, in conjunction with the Total Baseball department, will be hosting our players and families for an open house from 6:30-8:30pm. As families receive pertinent information about the upcoming year, kids are encouraged to come and compete in a skills competition put on by our instructors. Prizes will be awarded to the winners! While you're here, you will be able to learn about our revamped classes and register for those programs as well. Additionally we will have a coaches meeting at that time.
