

6 Man – Indoor Major and Minor Baseball League (6U-8U)

What is the 6 Man Indoor Baseball League? Designed after the joint MLB & USA Baseball “Hit & Run Baseball Initiative”, the objective is to encourage a quickened pace of play, increase frequency of balls put in play, shorten games, & create opportunities to play different defensive positions. During these fast paced games Instructors or Players will pitch a max of 3 balls to each Batter. If the Batter is not able to hit 1 of the 3 pitches, they will have 2 chances to hit the ball off the tee. Once the ball is put in play, Fielders will have to make plays to get the Batter out. All Batters will bat each inning. Total Baseball Staff will supervise the games & parent volunteers will assist with catching. *This league is for players ages 6U-8U. Teams will consist of 6-7 players.
